## Part 1: Naming the New Cultivar

1	State the species to which the cultivar belongs (if known).	
2	Do you believe the cultivar to be a hybrid (a cross between two species)?	YES <input type="checkbox"/> NO <input type="checkbox"/>
3	If the answer to the question above is Yes, please state the name (species/cultivar or both) of the parents if known.	
	If known, please state the female (pistillate) parent.	
4	Write your proposed cultivar name (epithet) here.	
5	Name and address of Originator  Date originated	
6	Name and address of Nominator if different from above  Date named	
7	Name and address of Introducer if different from above  Date introduced	
8	Name and address of Registrant if different from above  Contact phone number Contact fax number. Contact email address.	

9	If the cultivar name is being registered on behalf of an organization, give the name and address of that organization.		
10	Has permission been granted for the cultivar to be registered if not the property of Registrant?	YES <input type="checkbox"/>	NO <input type="checkbox"/>
11	As far as you know, has the name previously been published in a dated publication along with a description?	YES <input type="checkbox"/>	NO <input type="checkbox"/>
12	If the answer to the question above is Yes, please give details of the earliest publication and enclose a copy or a photocopy of the relevant pages (including evidence of date of publication) with your application.		
13	As far as you know, has the cultivar ever been subject to application for, or grant of, a Patent or Plant Breeders' Rights?	YES <input type="checkbox"/>	NO <input type="checkbox"/>
14	If the answer to the question above is Yes, please give details of the first such issuing authority and any grant number(s) issued.		
	Grant Number		
	Issued by		
15	Is the cultivar being sold under a trade designation (selling name) instead of the cultivar name?	YES <input type="checkbox"/>	NO <input type="checkbox"/>
16	If the answer to the question above is Yes, please list any such trade designations together with any other information you may have.		
17	Is the cultivar marketed under a trademark which has been formally been registered by a trademark authority (and entitled to bear the sign ®)?	YES <input type="checkbox"/>	NO <input type="checkbox"/>
18	Is the cultivar marketed under a common-law trademark denoted by the sign ™?	YES <input type="checkbox"/>	NO <input type="checkbox"/>
19	If the answer to either of the questions above is Yes, please give name and address of the trademark owner (or the assignee) and for registered trademarks, please state the issuing authority together with any grant number (if known)		
	Grant Number		
	Issued by		
20	If the cultivar is named after someone living or dead do you have permission from that person (or his/her legal representative) to register the name?	YES <input type="checkbox"/>	NO <input type="checkbox"/>
21	If it is not obvious, please state derivation (meaning) of your proposed name.		

22	Has a nomenclatural standard (herbarium specimen) been deposited in a recognized herbarium?	YES <input type="checkbox"/>	NO <input type="checkbox"/>
----	---	------------------------------	-----------------------------

23	If the answer to the question above is Yes, please list the herbarium and any others maintaining duplicates.	
----	--	--

## Part 2: History of the New Cultivar

24	Please give the location where the original plant of the new cultivar was found, who found it, and when. Please state if it was found growing in the wild or in cultivation. Please include GPS coordinates if possible.	
----	--	--

25	Was the original plant of the new cultivar selected from a batch of cultivated seedlings?	YES <input type="checkbox"/>	NO <input type="checkbox"/>
----	---	------------------------------	-----------------------------

26	If the answer to the question above is Yes, please state name of parents if known.	
	Pollen Parent (male)	
	Seed Parent (female)	

27	Name and address of Raiser or Hybridizer	
	Year of raising or hybridizing	

28	Was the original plant of the cultivar derived from a sport of another recognized cultivar?	YES <input type="checkbox"/>	NO <input type="checkbox"/>
----	---	------------------------------	-----------------------------

29	If the answer to the question above is Yes, please state name (species/cultivar) of parent plant.	
----	---	--

30	Name and address of initial Propagator and date of initial propagation	
----	--	--

31	If the original plant of the cultivar was received as an unnamed seedling, from whom and where did it come?	
----	---	--

32	If the cultivar has received any awards, please list them here.	
----	---	--

# Part 3: Description of the New Cultivar

<b>33</b>	What are the distinctive characteristics of the new cultivar?					
<b>34</b>	What existing cultivar does the new cultivar most resemble?					
<b>35</b>	In what way is the new cultivar distinct from the cultivar listed above?					
<b>36</b>	Please give here any other descriptive information you think may be relevant.					
<b>37</b>	Please indicate the height and width of the original specimen of the cultivar (state in meters/centimeters or feet/inches).					
	Height	Width	Age of plant	Estimated growth rate		
<b>38</b>	If you consider that the new cultivar has special merits for a particular purpose, please explain below.					
<b>39</b>	Please write here any other comments or information you would like the Registrar to publish.					
<b>40</b>	Signature of Registrant					
	Date:
