

# Index of Scientific Plant Names

## A

### Abies

- pindrow 165
- spectabilis 165

### Acacia 56

### Acca 58

### Acer 93, 104, 113, 127, 167

- caesium 165
- campbellii 165
- circinatum 38
- griseum 129
  - × pseudoplatanus 74
- macrophyllum 38, 45
- oblongum 166
- palmatum 127
- pseudoplatanus 74
- 'Purple Haze' 74

### Aesculus indica 163, 165, 167

### Alangium 168

### Alnus 113, 127

- rubra 38
- cordata 127

### Araucaria

- araucana 39
- bidwillii 58

### Asclepia curassavica 158-159

## B

### Bauhinia 91

- roxburghiana 168

### Betula 113

- alnoides 167

### Bouvardia terniflora 158-159

### Brahea armata 91

## C

### Calliandra aff. grandiflora 159

### Camassia

- leichtlinii 45, 46
- quamash 46

### Carpinus viminea 165

### Cassia cf. alata 159

### Castanea 58

### Casuarina 91

### Cedrus deodara 165, 168, 170

### Celtis australis 170

### Ceratonia siliqua 56

### Cinnamomum 168

### Commelina aff. dianthifolia 159

### Cornus

### kousa 129

### macrophylla 166-168

### Corylus cornuta 38

### Cosmos 136

### Cotoneaster 93

### Crataegus 127

### Cupressus tortulosa 162, 166, 168

## D

### Desmodium 166

### Deutzia 166

### Dicksonia 135

## E

### Ephedra 146

### Equisetum 146

### Erythrina 91

### Eucalyptus 56, 58, 113

### Eugenia 58

### Euonymus tingens 168

## F

### Fagus sylvatica 129

### Ficus 91

### Fouquieria splendens 146

### Fraxinus

### floribunda 166, 168

### micrantha 170

## G

### Gleditsia tricanthos 58

## H

### Hedera nepalensis 166

### Helianthus 158-159

### Hibiscus sabdariffa 140

## I

### Ilex 113, 166

### dipyrena 165

### Indigofera tinctoria 166

### Inga edulis 58

## J

### Jubaea chilensis 91

### Juglans 57

*Juniperus recurva* 165

## L

+*Laburnocytisus 'Adamii'* 129  
*Leonotis nepetifolia* 159  
*Liriodendron tulipifera* 127  
*Lyonia ovalifolia* 165, 166-168

## M

*Macadamia* 58, 59  
*Magnolia* 113  
*Malus* 57, 113, 127  
*Melaleuca* 58  
*Morus* 57, 58

## N

*Narcissus* 127

## O

*Olea*  
     *europa* 56  
     *ferruginea* 170

## P

*Parthenocissus*  
     *himalayana* 166  
     *semicordata* 166  
*Persea*  
     *americana* 58  
     *odoratissima* 168  
*Phoenix dactylifera* 91  
*Phoradendron flavescens* 43  
*Picea smithiana* 165  
*Picrasma quassioides*  
*Pinus* 93  
     *bungeana* 170  
     *devoniana* 149  
     *gerardiana* 169-170  
     *nigra* 127  
     *oocarpa* 149  
     *ponderosa* 127  
     *roxburghii* 168  
     *wallichiana* 168  
*Plinia* 58  
*Populus* 113  
*Prosopis* 58  
*Protea* 56  
*Prunus* 57, 113, 127  
     *cornuta* 165  
     *amygdalus* 58  
*Psidium* 58  
*Pyrola* 159

## Q

*Quercus*  
     *acherdophylla* 114, 127, 128

*acutifolia* 97, 114, 116, 119  
*acutissima* 127  
*afares* × *hispanica* 'Ambrozyana' 111  
*affinis* 106, 114, 116, 137, 138, 150, 151, 154, 156  
     × *laurina* 138, 156, 157  
     f. *subintegra* 106, 114  
*agrifolia* 31, 34, 35, 56  
     var. *agrifolia* 31-33  
     var. *oxyadenia* 31-33  
*ajoensis* 94  
*alba* 58  
*albocincta* 152  
*aliena* 97, 109  
*annulata* 111  
*ariifolia* 140-142, 154, 156  
     × *striatula* 141, 156  
*arkansana* 111  
*baloot* 162, 169-170  
*bambusifolia* 111  
*barbinervis* 117  
*bawanglingensis* 22-25  
*berberidifolia* 94, 95  
*bicolor* 58  
*bourgaei* 117  
*brachystachys* 115  
*brandegeei* 139  
*buckleyi* 64  
*calliprinos* 109  
*calophylla* 112-114, 143, 147, 148, 156  
     × *shumardii* 112  
*canariensis* 97, 109, 110, 127, 130, 131  
*canbyi* 96, 114  
*candicans* 114  
     var. *calophylla* 113  
     × *sartorii* 114  
     × *xalapensis* 114  
*castanea* 114, 116, 135-137, 143, 147, 148, 155, 156  
     × *laurina* 114  
*castaneifolia* 97  
*centralis* 114  
*cerris* × *wislizeni* 130  
*chartacea* 116  
     × *chasei* 32  
*chihuahuensis* 114, 118  
*chrysolepis* 109  
*coccifera* 95  
*coccolobifolia* 147  
*confertifolia* 19, 20, 143, 144, 156  
*conspersa* 114, 116, 119  
*conzattii* 115  
*cornelius-mulleri* 94  
*corrugata* 17, 115, 116, 151, 156  
*cortesii* 119  
*crassifolia* 111, 115, 116, 136-138, 145, 149, 151, 155, 156  
     × *crassipes* 116  
     var. *errans* 115  
*crassipes* 19, 115, 116, 117, 136, 149, 154  
     × *laurina* 115  
     × *mexicana* 115

- ×crenata 111
- crispipilis 115
  - var. pannosifolia 115
- crispula 110
- decipens 115
- delavayi 73, 74
- deserticola 115, 135, 136, 143, 148, 155-157
- douglasii 109
  - 'Dexter's Blue' 85, 86
- dumosa 94
- durifolia 115
- ×dysophylla 116, 136
- eduardi 116, 119, 136, 137, 138, 143, 150, 151, 154, 156
  - × sartorii 156
- elliptica 116, 149, 150
- engelmannii 95
- engleriana 28, 30
- excelsa 116, 117
- faginea 50 58, 97, 127
- felipensis 115
- floribunda 162, 165-168
- frainetto 127
- franchetii 28, 30
- furfuracea 116, 143, 156
- fusififormis 64, 138
- galeottii 19, 116
- ×ganderi 32, 33
- garryana 37-48, 98, 99
  - var. breweri 41, 42
  - var. semota 41, 42
- gentryi 19, 20, 114, 116, 143
- germana 116, 117, 138, 145, 152, 156
- glabrescens 116, 117, 129, 130, 150, 156
  - var. radlkoferiana 117
- glauca 71, 73, 109, 127, 162, 163, 167, 168
- glaucoides 143, 146, 149, 150, 155-157
- grahamii 97, 114, 116
- greggii 119, 137, 138, 156
- grisea 140, 150, 156, 157
- hahnii 116
- hartwissiana 97
- hirtifolia 129, 152, 156
- huitamalcana 119
- ×humidicola 111
- hypargyrea 73
- hypoleuca 20
- hypoleucoides 19, 20
- hypoxantha 116
- ilex 58, 91, 97, 170
- ilicifolia 130
- imbricaria 113
- innuncupata 118
- insignis 105, 116, 121
- intricata 142
- invaginata 95
- ithaburensis subsp. macrolepis 129
- jonesii 143-145, 156
- kelloggii 31-34, 127, 128, 130
  - × Q. parvula var. shrevei (Q. wootteni nom. nud.) 32, 33
- ×kewensis 130, 131
- laceyi 64, 66, 67, 85
- laeta 112, 114, 117-119, 150, 151, 154, 156
  - × obtusata 117
- lamellosa 71-74, 111
- lanceolata 117, 118
- lancifolia 17-19, 113, 116, 117
- lanigera 116
- laurina 105, 106, 113, 117, 118, 138, 149, 150, 154, 156
- laxa 142, 143, 156
  - ×leana 109
- leiophylla 17-19, 117
- leucotrichophora 97, 162, 165-168
- libani 97, 127, 128
- liebmannii 117
- lobata 58, 129
- ×ludoviciana 110, 111
- macranthera 109, 110, 127
- macrocarpa 64, 67, 85, 129
  - 'Eckman' 83
- macrolepis 97
- magnoliifolia 117, 146, 149, 155, 156
- major 117
- marilandica 97
- marliopensis 28, 30
- martensiana 117
- meavei 151, 152, 156
- mexicana 115, 117, 129, 136, 145, 150, 154, 156
- microphylla 135-137, 145, 151, 156, 157
- miquihuanensis 129
- mohriana × stellata 98
- mongolica 111
  - subsp. crispula 110
- ×morehus 32, 33
- muehlenbergii 58, 64, 67, 68, 152
- multinervis 73, 74
- myrsinifolia 71, 73, 74, 109
- obovalifolia 117
- obtusata 117, 118, 136, 137, 143, 147, 148, 155-157
  - × rugosa 118
- ocoteifolia 105, 113, 118
- oleoides 118, 138, 139, 156
- omissa 119
- opaca 140, 142, 145, 156
- orizabae 114
- 'Overcast' 85
- oxyodon 73, 74, 111
- pacifica 95
- pachyloma 4
- pagoda 111
- palustris 109, 113, 114
  - 'Aurea' 80
- panduriformis 118
- parvula var. shrevei 31-33, 35
- peduncularis 15, 16, 117-119
- perseifolia 114, 116, 118
  - × xalapensis 118
- petraea 79, 127
  - 'Aurea' 80
  - subsp. iberica 97

- Mespilifolia Group 130  
 pinnativenulosa 138, 153, 156  
 planipocula 114, 147-149, 156  
 polymorpha 64, 65, 67, 116, 118, 138, 145, 156, 157  
 pontica 111  
 potosina 118  
 praeco 141, 142, 156  
 pringlei 95  
 prinopsis 151  
 prinus 58  
 pseudosetulosa 14, 21-26  
 purpusii 118  
 pyrenaica 50, 58, 127  
 repanda 137, 142, 150, 151, 156, 157  
 resinosa 143, 144, 156  
 robur 40, 58, 97, 109, 127, 149  
     Aurea Group 80  
         'Aurea' 80  
         'Filicifolia' 130  
         Fastigiata Group 78, 79  
             'Fastigiata Purpurea' 79  
         Golden-Leaf Group 77, 79-83  
             'Ahoy' 80, 81  
             'Aurea' 81  
             'Aurea Elegans' 81  
             'Aurea Leucocarpa' 81  
             'Butterbee' 81  
             'Concordia' 80, 81  
             'Fromburg' 81  
             'Pallida' 82  
             'Rita's Gold' 82  
             'Wemlighausen' 82, 83  
         'Pendula' 81  
         Purple-Leaf Group 77-79, 130  
             'Atropurpurea' 78, 79  
             'Fastigiata Purpurea' 78, 79  
             'Nigra' 79  
             'Nigricans' 79  
             'Purpurascens' 78, 79  
             'Purpurea' 79  
             'Rubicunda' 79  
             'Timuki' 79, 80, 130  
 ×rosaceae 'Controlled Burn' 86, 87  
 rotundifolia 14, 50, 51, 58, 59, 92, 97  
 rubra 127  
     Aurea Group 84  
 rugosa 104, 111, 115, 118, 129-131, 142, 143, 145, 149, 150, 155, 156  
 rysophylla 97, 118, 127, 138, 139, 145, 156, 157  
     × sartorii 156, 157  
 sagraana 139  
 saltillensis 130, 132  
 sapotifolia 114, 116  
 saravanensis 111  
 sartorii 97, 118, 119, 121, 138, 139, 143, 150, 151, 156  
 ×schochiana 111  
 schottkyana 71, 73  
 scytophylla 155, 156  
     sebifera 154, 156  
     semecarpifolia 130, 131, 162-167  
     serrata 111  
     setulosa 22, 24-26  
     shumardii 111, 113  
         'Emerald Lace' 86  
     sideroxyla 116, 119  
     sinuata 64, 67  
     skinneri 142  
     sororia 16  
     splendens 16, 143  
     stellata 67, 130  
     stewardiana 111  
     striatula 4, 140, 141, 145, 156, 157  
     suber 14, 50, 53, 56, 58  
     subspathulata 118, 119  
     substenocarpa 116  
     aff. subspathulata 114  
     texana 'New Madrid' 130  
     texcocana 119  
     tinkhamii 143, 154, 156  
     tomentella 119  
     toxicodendrifolia 17-19, 117  
     transmontana 151  
     treleaseana 117  
     trinitatis 152, 153, 156  
     trojana 127  
     trungkhanhensis 14, 27-30  
     turbinella 94  
     urbanii 115  
     vacciniifolia 142  
     variabilis 97  
     velutina 84  
         'Golden Dragon' 77, 83, 84, 88  
     vexans 119  
     virginiana 64  
     wislizeni 31-33  
     xalapensis 112, 118, 119  
     xylina 142, 143, 151, 156
- R**  
 Rhinanthus minor 130  
 Rhododendron 113, 131, 165, 166  
     arboreum 165, 167  
 Rhus 168  
 Rosa  
     brunonii 165  
     moschata 165  
     sericea 165  
 Rubus 57
- S**  
 Salix 113  
 Salvia  
     scouleriana 38  
     discolor 158-159  
     patens 158-159  
     polystachys 158-159  
 Sanchezia cf. speciosa 158  
 Senna 158-159

Sorbus 113, 127, 165  
Strelitzia 91  
Strobilanthes walichii 166  
Syagrus romanzoffiana 91

## **T**

Tagetes cf. luna 158-159  
Taxus wallichiana 165  
Tilia  
    callidonta 74, 75  
    chinensis 74, 75  
    cordata 74, 75  
Toona sinensis 168

## **U**

Ulmus 127

## **V**

Victoria cruziana 91, 92  
Viburnum 93, 166, 168  
    cotinifolium 166  
    grandiflorum 165  
Viscum album 43

## **Y**

Yucca 140

## **Z**

Zingiber officinale 166
