

# Index of Scientific Plant Names and Cultivar Names

## A

### Abies

- concolor 205
- koreana 123
- nephrolepis 116
- magnifica 204

### Acacia podalyriifolia 209, 210

- ### Acer 117, 121-123, 137
- komarovii 124
  - macrophyllum 204
  - palmatum 118, 122
  - pseudosieboldianum 118, 124

### Aesculus californica 143, 207

### Afrocarpus falcatus 209

### Agave 248

### Alloerberis

- fremontii 212
- nevinii 213

### Aphananthe aspera 118, 121

### Arbutus 33

- arizonica 143
- menziesii 202, 204
- xalapensis 133

### Arctostaphylos 33, 199, 204, 213, 221

- catalinae 215
- glandulosa 215
  - subsp. gabrielensis 215
- manzanita 202
  - subsp. glaucescens 202
  - subsp. roofii 204
- nevadensis 205
- otayensis 221
- pringlei 220

### Ardisia japonica 121

### Asimina triloba 163

## B

### Berberis

- dictyota 212
- fremontii 212
- nevinii 213

### Beschorneria yuccoides 159

### Betula 116

- chinensis, 117
- ermanii 123
- lenta 133
- schmidtii 116

### ×Bonplandara 53

### Bonplandia 53

### Bismarckia nobilis 210

### Brahea armata 210

## C

### Caesalpinia gilliesii 159

### Camellia japonica 121, 122

### Camptotheca acuminata 209, 210

### Carpinus 116, 119, 123

- caroliniana 143
- cordata 116
- tschonoskii 117
- turczaninovii 116, 118
- viminea 122

### Carya 137, 163, 181

- cathayensis 181

### Castanea pumila 143

### Castanopsis 144, 249

- cuspidata 121, 122
- ‘Nakafu’ 249

### Cathaya argyrophylla 181

### Ceanothus megacarpus 215

- var. insularis 215

### Celtis sinensis 118

### Cercocarpus 200-201

- betuloides 133, 201, 207, 216
- var. traskiae 216
- var. blancheae 216

### Chrysanthemoides incana 209

### Chrysolepis

- chrysophylla 32, 33
- sempervirens 205, 206

### Cinnamomum 121

### Citrus 236

### Cladastris kentukea 133

### Colocasia 248

### Comarostaphylis diversifolia 213

### Cornus

- kousa 116, 117, 121, 124
- macrophylla 116, 124
- nuttallii 133, 205, 209

### Cortaderia seloana 207

### Corymbia citriodora 209, 210

### Crataegus germanica 193

### Cryptomeria japonica 172

### Cupressus sargentiana 201

### Cylindropuntia

- acanthocarpa 221
- prolifera 215

## D

### Daphniphyllum macropodum 121

### Diplacus grandiflorus 204

### Drosera capillaris 244

## E

### Emmenopterys henryi 195

### Eriobotrya 246

- japonica ‘Coppertone’ 246

### Eriodictyon

- californicum 207
- traskiae 215

### Erythrolabanus

- colombiana 64
- duqueana 64

Erythrostemon gilliesii 159  
Eucalyptus 207  
Euscaphis japonica 120  
Eurya japonica 121

## F

Fagus  
    grandifolia 71  
    sylvatica 189, 196, 197

Fraxinus  
    insularis 143  
    texana 143

## G

Gaillardia 243  
Galipea 53  
Garrya 33  
Grevillea 174  
Gunnera 174

## H

Halesia monticola 143  
Hemionitis 204  
Hesperoyucca whipplei 207

## I

Idesia polycarpa 121  
Ilex  
    crenata 123  
    macropoda 124  
Indigofera kirilowii 133

## J

Juglans mandshurica 143  
Juniperus  
    californica 207, 220  
    virginiana 243

## K

Kalmiopsis leachiana 33  
Kalopanax septemlobus 116, 123, 124

## L

Larix  
    decidua 189  
    europaea 189  
Lindera 124  
    erythrocarpa 117  
    glauca 118  
Liquidambar styraciflua 71, 249, 250  
Liriodendron  
    chinense 192, 193  
    tulipifera 133  
Lithocarpus 7, 144  
    corneus 163  
    hancei 163  
    henryi 249  
    lepidocarpus 163  
Luma 174  
Lyonothamnus floribundus 215, 216

## M

Maackia  
    amurensis 124  
    fauriei 123  
    floribunda 123  
Machilus japonicus 121  
Maclura tricuspidata 143  
Magnolia  
    obovata 195  
    sieboldii 124  
Mahonia 33, 217  
    dictoyota 212  
Melampyrum pratense 134  
Mespilus germanica 193  
Micromeles alnifolia 117  
Mimulus bifidus 204  
Myrica cerifera 243

## N

Neillia 174  
Neolitsia sericea 121  
Neoshirakia japonica 121, 124  
Nolina 221  
Nothofagus obliqua 66  
Notholithocarpus densiflorus 204  
    var. echinoides 33, 205

## O

Opuntia 215  
    tunoidea 243  
Ostrya japonica 121, 122

## P

Paxistima 33  
Pellaea 204  
Photinia villosa 121, 123  
Picea  
    abies 109  
    jezoensis 124  
Pinus 199  
    attenuata 199  
    densiflora 117  
    jeffreyi 215  
    koraiensis 116  
    lambertiana 204  
    monticola 215  
    palustris. 244, 245  
    ponderosa 205, 215  
    pumila 116  
    rigida 118  
    sabiniana 207  
    thunbergii 119  
    torreyana 212  
Platycarya strobilacea 116, 118  
Plumeria  
    ‘Apricot’ 211  
    rubra ‘Celadine’ 211  
    ‘San Miguel’ 211  
    stenopetala 211  
Poacea 210  
Podocarpus salignus 188, 195  
Populus fremontii 207  
Pourthiaea villosa 121  
Pseudotsuga

- macocarpa 207  
 menziesii 203  
 Pyrus calleryana 71
- Q**
- Quercus**
- acapulcensis 21  
 acerifolia 141  
 acherdophylla 135  
 acrodonta 26  
 aculcingensis 180  
 acuta 86, 114, 116, 119-122, 143  
     × glauca 159  
 ×acutidens 129, 218, 220  
 acutifolia 54, 65, 83, 140  
     var. bonplandiana 67  
 acutissima 70, 88, 114, 116, 117, 143  
 afares 87, 146  
     × suber 134  
 affinis 164, 176, 234  
 agrifolia 130, 133, 161, 170, 202, 207, 209,  
     210, 217-220  
     × kelloggii 219, 220  
     var. oxyadenia 161, 218  
     var. oxyadenia × kelloggii 219, 220  
 airensis 146, 150  
 ajoensis 129  
 alba 15, 70, 98-101, 105, 248, 249, 251  
     × michauxii 230, 231  
 ×albescens 157, 158  
 aliena 114, 116, 117, 121, 143  
 almagerensis 62-65  
 alnifolia 88, 175, 176, 192  
     var. argentea 192  
 ambigua 66  
 amphioxys 64  
 annulata 179, 180  
 aquifolioides  
 arkansana 141  
     × ilicifolia 130, 133  
 aucheri 146, 157, 161  
 augustini 143  
 austrina 5, 9, 69-78,  
 austrocochinchinensis 86, 87  
 “Autopista” 127, 128, 162  
 ×auzendei 191  
 baloot 26, 156, 160, 161  
 banisteri 61  
 baronii 26  
 ×battandieri 83  
 bawanglingensis 26, 27  
 ×beadleii 230, 231  
 ‘Belle d’Aquitaine’ 141  
 benthamii 171, 180, 181  
 berberidifolia 129, 199, 200, 202, 204, 217,  
     218, 221  
     × douglasii 202  
 bicolor 15, 70, 88-90, 105, 166, 185, 251  
 bonplandiana 66  
 boquetensis 22  
 boruscasana 22  
 bouqueronae 180  
 boyntonii 234  
 boyacensis 64  
 brandegeei 84, 85, 128-129, 138, 210, 213  
 brandisiana 172  
 breedloveana 177  
 brenesii 140, 172  
 broteroi × coccifera 83  
 bumeliodes 176  
 × bushii 143, 185  
 calophylla 137, 234, 235  
 camusiae 167, 168  
 canariensis 185, 186, 188  
     × faginea 157, 184  
 canbyi 162  
     × rysophylla 141  
 carmenensis 129  
 castanea 20  
 castaneifolia 26, 143, 156, 157, 190  
     ‘Green Spire’ 185  
 catesbaei 61  
 cedrosensis 133, 221, 222  
 cerrioides 158  
 cerris 87, 145, 146, 160, 162, 185, 195  
     ‘Blue Wave’ 109  
     × libani 148  
     ‘MVE 281968’ (Marvellous) 111  
     × suber 87, 146  
     × wislizeni 187  
 chenii 156  
 chihuahuaensis 140  
 chrysolepis 32, 84, 134, 141, 161, 199, 200,  
     202, 204-207, 213, 216  
     × tomentella 133, 134, 213  
     × vacciniifolia 206  
 ciliaris 143-145  
 citrifolia 23  
 coccifera 26, 88, 191  
     × ilex 191  
 cocciferoides 26-27  
 coccinea 84, 98-101, 103, 131, 187  
     × rubra 153  
 coccolobifolia 55  
 colombiana 64  
 ×comptoniae 83  
 confertifolia 66  
 congesta 146  
 conzattii 169  
 cornelius-mulleri 161, 213, 217, 218, 221  
     × engelmannii 129, 220  
 corrugata 180  
 cortesii 180, 181  
 costaricensis 167, 179, 180  
 crassifolia 140  
     × crassipes 142, 248  
 crassipes 142, 184  
 crenata 87  
 ×crenata 87, 186  
     ‘Wageningen’ 184  
 crispifolia 21, 23  
 crispipilis 138, 162, 163  
 crispsula 85, 123  
 cupreata 135  
 dalechampii 185  
 delavayi 26  
 delgadoana 135, 136, 154, 155, 159, 180  
 deliquescens 129, 153  
 dentata 85, 114, 117, 119, 143, 185, 187, 212  
     × petraea 248  
     × pontica 187  
 depressa 128, 135  
 deserticola 20  
 ×diosdadoi 157  
 dolicholepis 26, 143, 164, 165, 238, 239  
 douglasii 161, 198-202, 207, 224  
 ×drummondii 131

- dumosa 8, 217, 218  
 duqueana 64  
 durandii 70, 76  
 durata 202, 207  
 durifolia 170  
 ×dysophylla 142, 248  
 eduardi 138  
 ellipsoidalis 84  
 elliptica  
 emoryi 8, 228  
 engelmannii 163, 209, 212, 217-219  
 engleriana 26, 144, 145, 177  
 ×eplingii 202  
 estremadurensis 134  
 eugeniifolia 22, 180, 181  
     f. petiolata 22  
 faginea 160, 184, 185, 188  
     subsp. broteroi 160  
     × rotundifolia 157, 158  
 falcata 84, 98-101, 103, 156, 168, 233, 244,  
 250, 251, 253  
     × phellos  
     × rysophylla  
 flagellifera 180  
 flocculenta 138  
 floribunda 26, 27, 143, 160, 181  
 frainetto 86, 190, 193, 196  
     × robur 155  
 franchetii 26, 234, 235  
 frutex 18, 20, 129, 142, 153  
 furfuracea 153, 180  
 fusiformis 129, 143, 209, 234  
 gambelii 35  
 ×ganderi 219, 220  
 garryana 33, 36, 37, 202  
     var. breweri 29, 31, 33, 36-38, 46,  
     202-203  
     × douglasii 202  
     var. fruticosa 31  
     var. garryana 37, 39, 43  
     var. semota 31, 37, 38, 43  
 geminata 129, 168, 234, 242-244  
 georgiana 228, 230  
 germana 236, 247  
 gilva 114, 121, 172, 173, 238, 239, 249  
 glauca 26, 114, 121-123, 144, 166, 180,  
 193-195  
     ‘Lacera’ 247  
 glaucescens 172  
 glaucoides 138  
 graciliformis 162, 227, 228, 234  
 grahamii 83, 140  
     × mexicana 142  
 granulata 22  
 gravesii 234  
 greggii 155, 156, 180, 181, 212, 234  
 grisea 234  
 gulielmi-trelesei 168, 169, 176  
 guyavifolia 26  
 hartwissiana 86  
 havardii 129, 161  
 ×haynaldiana 155  
 hemisphaerica 129, 130, 135, 162, 184, 234,  
 242, 243  
     ×heterophylla 252  
 hildebrandii 172  
 hinckleyi 85, 128, 160, 161  
 hintoniorum 175  
 ×hispanica 87, 146  
     ‘Wageningen’ 184  
 hondae 164, 165
